

Aid to Volunteers.

The following patriotic communication from a number of our about townsmen and others, are received last night:

MASSACHUSETTS, Lane, Pa., April 21, 1861.

To the people of Clearfield county:

The undersigned, your fellow-citizens, being personally absent from their homes, and not desiring for a moment, that their country should be left without the services of the military called for by the President of the United States, to maintain and defend the Government in this hour of peril, take this, the earliest opportunity, to pledge themselves to each other, and to the public, for the payment of the respective sums set opposite our names, for the maintenance of the families of such patriotic citizens of the county as may volunteer or be enrolled in the service of their country, during the period of their absence.

- William Irwin, of Curwensville, \$1000
- Jonathan Boynton, of Clearfield, 500
- John Patton, of Curwensville, 500
- James T. Leonard, of Clearfield, 500
- William Bigler, of Clearfield, 150
- Reed & Weaver, of Clearfield, 150
- G. R. Barrett, of Clearfield, 150
- G. H. Lytle, of Lumber City, 50
- J. P. Nelson, of Graham tp., 50

An adjourned meeting of the citizens was held in front of the Armory last night, at which \$1170 was promptly added to the above, and a number of volunteer's names enrolled.

HAND OVER.—C. Lanich who lost his coat, pocket book, money, &c., at the "Big Pitch," offers \$10 reward to the finder.

"Blowing his own bellows."—Our friend Col. Passmore requires notice that his bellows is now in full blast in his new shop.

A GOOD CHANCE FOR LUMBERMEN.—An enterprising lumberman will find a first rate chance in the offer of Griffith Jones, at Duncannon. See his advertisement.

READ IT.—We invite the attention of our readers to an extract from a paper written by Rev. R. J. Backus, published on our first page. The author never was a politician, but was known as a Whig, and later as a member of the American party. Through perhaps too late to be of any real benefit, yet we cannot forbear the temptation to lay sentiments so purely patriotic and national before our readers.

We may give further extracts from this document in our next.

Prepare for the Worst.

We deem it our duty, at this time, to warn our fellow citizens to take time by the forelock, to set their houses in order, and prepare, as far as possible, for the worst. Our lumber business is entirely ruined for the present. Our lumbermen have spent their last dollar in taking their timber to market, and cannot now dispose of it at any price. It is therefore the duty of all of us to look the frightful prospect full in the face. We can do much to alleviate our wants, if timely precautions are heeded. Let us all, therefore, go to work as if we knew there was no help for us beyond our own resources, to keep our families from absolute and pinching want. Wherever there is a foot of unoccupied ground let it be made to produce something for the sustenance of man or beast. Those who have no land, may have strong arms, and can cultivate that which large owners cannot cultivate—and put his faith in Providence to "give the increase."

THE SOUTHERN PORTS BLOCKADED. President Lincoln has issued a Proclamation blockading all the ports in all the States South of Maryland.

ANOTHER PROCLAMATION FROM GOVERNOR CURTIN.

Gov. Curtin has issued a proclamation calling an extra session of the Legislature to meet at Harrisburg on the 30th instant, (a week from tomorrow) for the purpose of "enabling the Executive to make the military power of the State as available and efficient as it should be for the common defence of the State and General Government."

PUBLIC MEETING.

In pursuance of public notice a meeting of the citizens of Clearfield was held in the Town Hall, on Monday evening last. On motion Geo. Thero was appointed President and T. J. McCullough and G. W. Rheam, Secretaries.

The object of the meeting was then stated by Mr. McKeally, when, on motions of W. A. Wallace and J. B. McKeally, Esq's, the following preamble and resolutions were unanimously adopted:

Whereas, a number of States have seceded from the Union under an assumed right so to do, and forgetful of their duty have inaugurated war against the Government of the United States; and as the first duty of every citizen is, to sustain and uphold the flag of our country, and the Union of the States, and obey and preserve the sanctity of the law.

And Whereas the President of the United States has called upon Pennsylvania to furnish troops to aid in maintaining the Government, maintaining its dignity and protecting the Capitol against invasion and in divesting ourselves of all party affiliations and being willing to respond to the call, and whereas, the Washington Gazette of Clearfield have offered their services to the Governor, and are preparing to leave their homes at the call of their country. And it being manifestly proper that provision should be made for the support of the families of those who may volunteer therein.

Resolved, That an Executive Committee to consist of five citizens be appointed by the Chairman to procure subscriptions for said purpose and report to a meeting to be held in this place on Monday evening next, 29th of April.

All whose names are herewith subscribed do hereby agree to pay to the Committee appointed by this association, the sums set opposite our names respectively to be appropriated to the relief of the families of such persons in our vicinity as may go into the military service of our country, and may hereafter be called upon to be distributed through said Committee to the aforesaid families as they need it.

The Committee to consist of five persons to be elected or chosen by the association, and to have a Secretary by whom a faithful record of all money received and paid out shall be kept. By whom all subscriptions, records and proceedings shall be kept in proper order and an account rendered to the association when called upon.

A meeting of the association may be called by the President of the same or by any five members after public notice. And in the appointment and change of the Committee as well as in other matters, the majority shall rule.

Whereupon the Chair appointed J. B. McKeally, Wm. A. Wallace, T. J. McCullough, A. M. Mills and G. L. Reed, the Committee in pursuance of the first resolution.

On motion, the proceedings were ordered to be signed by the officers and published.

First in this place.—It was thought the Washington Gazette of this place would be the first volunteers from this county, but we learn that a company of about 70 left the upper end of this county, yesterday, under command of Capt. John S. McKiernan, a hero of the Mexican war.

THE WAR SPIRIT.—Our town is in a state of military spirit. The stars and stripes are constantly floating on the breeze, and the members of the Washington Cadets, Capt. Lorraine, are actively beating up recruits to fill their ranks. It is thought they will be ready to march by the time quarters are provided for more troops at Harrisburg.

To Lumbermen:

SAW-MILL FOR SALE. I have erected a new first class SAW-MILL for Eighty feet Timber, at DUNCANNON, below Green's Dam, on the Susquehanna—and desire to have a Partner who will furnish Squared Railed Lumber at Green's Dam, to turn the Log Pond to its full capacity.

This Mill will have the command of the market in Petersburg and Duncannon and of two-thirds of Perry county—and a large amount of business may be done at good prices. It is on the Pennsylvania Railroad, and in communication with Philadelphia and Baltimore.

In the present depressed state of the Tidewater market, I invite attention to a home market that will remunerate. Address early by mail, or call on

HARRIS' IMPROVED

Bandbox

SEWING MACHINE.

PRICES FROM \$40 to \$70.

The DUPOUX SEWING MACHINE, an engraving of which is here represented, has now become a recognized favorite wherever it has been introduced, and is, beyond question, the best, as well as the handiest, low-priced Sewing Machine now before the public.

No. 1.—A small and very neat Machine for Family use.

No. 2.—A large Machine for quilting heavy work and for Plantation use.

This Machine is much admired for its simplicity, and for its reliability and durability it is unsurpassed. A child twelve years can run it with ease, and yet it will sew from the coarsest cloth to the finest Swiss. There is no trouble of re-winding the thread, as it is taken from the spools. It has no belts to give trouble, and will run backwards as well as forwards, and still sew equally perfect, and without danger of breaking needles. It runs by friction, and by closing the box over it, it is thrown out of gear. In fact, we have no hesitation in recommending it as the best family Sewing Machine in use.

The following Premiums Awarded the above Machine:

- At the Fair of the Franklin Institute, 1858, the First Premium.
- At the Pennsylvania State Fair, at Philadelphia, September 24, 1859, the First Premium—a Diploma.
- At the Pennsylvania State Fair, held at Wyoming, 1860—a Silver Medal.
- For the best Double Thread Machine, at Lancaster County Fair, held October, 1859—a Silver Medal.
- At the Maryland State Fair, held at the Maryland Institute, Baltimore, Md., October, 1859, under strong competition, a Silver Medal was awarded to this Machine.
- At the New Castle County Fair, held at Wilmington, Delaware, October, 1859—a Diploma.

The above Machines are manufactured by

HENRY R. COSTAR.—All the summer I have been troubled with Roaches and Mice. I was actually ashamed of the house, for the Roaches were everywhere. I purchased a box of your Exterminator and tried it, and in one week there was not a Roach or Mouse in the house.

JOHN B. GRACE, No. 91 Elm street.

HOUSEKEEPERS.—troubled with vermin, need be no longer if they use "Costar's" Exterminator. We have used it to our satisfaction, and if a box cost \$5 we would have it. We had tried poisons, but they effected nothing; but COSTAR's article "knocks the breath out of" Roaches, Mice and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—Medford (N.J.) Gazette.

MORE GRAIN and provisions are destroyed annually in Great Britain by vermin, than would pay for tons of this Rat and Insect Killer.—Lancaster (Wm.) Herald.

HENRY R. COSTAR.—Your Exterminator is received, used, and pronounced a decided success. We used a box of it, and the way the Roaches and Mice around our premises "raised Ned" that night was a caution to sleepers. Since not a Rat or Mouse has been heard in garret or cellar.—Magazine (Wm.) Times.

I HAVE BEEN SELLING—Your Exterminator for the last year, and have found it a sure shot every time. I have not known it to fail in a single instance.—Geo. Roe, Cardington, O.
